Customer Testimonies

I am so thankful that Louis was referred to us. We live in a house that is almost 100 years old. It was such a relief to finally find someone who is reliable and trustworthy. Louis fixed our driveway, our door, painted our trim, repaired our flowerbox, cleaned up, and mulched our yard. I am so excited when I pull into our driveway and I see the beautiful improvements. Not only were his prices very fair, he was a perfectionist! He did not stop working on a project until he was 100 percent satisfied! I have already referred him to my parents.

I have been in business for 10 years and I am happy to say Louis is the fastest, the friendliest, the neatest, the most efficient and the most knowledgeable assistant I have had the pleasure of working with. Bliss Salon loves the graphics and the fresh paint. Thnx Louis!

I contracted Mr. Nortman to install my new dishwasher. He showed up when he said he would. He told me all the work that needed to be done to install the machine before he started. He cleaned up after himself when he was done. The price that he charged was less than expected. I would have Mr. Nortman back to do any work I needed done around the house.

Can you say Handy Man? A week before Christmas I was strapped for time running around finishing last min gifts for my family. My eight years old daughter wanted the house decorated with lights. I had Louis come over and string up the lights they looked wonderful. My daughter was so happy!
